- Responsive viewing, aesthetically pleasing in mobile viewports.
- Tools: HTML, JavaScript, MongoDB, Express.js, React, Node.js, Mantine

**Monster-Maker** | <https://github.com/Zachattack221/monster-maker-live>

- Application allows a user to dynamically create, customize, and display monsters.
- Fantasy based creative project, MySQL rooted data storage, with encrypted user authentication.
- Tools: Express, Handlebars, Sequelize, MySQL2, Bcrypt, and Cloudinary

**Employee Tracker** | <https://github.com/Zachattack221/employee-tracker-application>

- Provides user with an application to compose and edit a collection of employee information.
- Leverages MySQL and Express to create and seed a mock database, accessible via queries.
- Tools: Inquirer, Express.js, MySQL2, Node.js, Console Table, Nodemon

## Experience

**Hay Distributing Inc.**

**Charlotte, NC**

**District Sales Manager**

**2021 - 2022**

Directly managed, trained, and developed a team of 6 employees for a multi-state beverage distribution company.

Key Accomplishments:

- Established and achieved monthly sales/KPI (Key Performance Indicator) targets, that consistently outpaced company goals.
- Conducted weekly team meetings to discuss relevant sales programming, market challenges, and to recognize & reward positive results.
- Grew and maintained relationships with retailers/chain management/store owners (within a defined district territory)

**Assistant Manager (Wingman)**

**2020 - 2021**

Served in a variable sales/delivery support role, one that managed the high-paced demands of a dynamic and growing market.

Key Accomplishments:

- Navigated a highly-adaptive role, completing multi-week tasks and filling-in for staffing vacancies (anywhere required in over 20 counties across North and South Carolina)
- Acted in a managerial capacity: upgrading and upselling customer accounts, assisting teammates cross-departmentally, and often coaching/training new hires.

### **Account Sales Manager (ASM)**

**2019 – 2020**

Key Accomplishments:

Sales and delivery account manager that provided service to a variety of customer accounts (small to large format, corporate and independently owned businesses).

- Supported monthly sales initiatives, including price promotion drives, cross-promoted products, and incremental display opportunities.
- Helped develop relationships in the beverage market that often resulted in increased display space and larger product orders.
- Attained ASM of the month for July 2019 for exemplary performance across a variety of sales criteria.

### **CHS (now Atrium Health)**

**Charlotte, NC**

#### **Insurance Data Management Specialist**

**2016 - 2017**

Promoted to a contract position which assisted the patient identity management team in resolving insurance filing discrepancies.

Key Accomplishments:

- Focused on precise data entry in order to ensure a more efficient revenue cycle.
- Functionally navigated a myriad of payor websites to verify and update insurance coverage
- Resolved 800-900 errors per day, relying on self-sufficiency, research, and time management

#### **Patient Data ER Registrar**

**2016**

Maintained and verified patient information in a hospital setting (including insurance coverage, confidential data, vital medical information).

Key Accomplishments:

- Accurately navigated hospital registration technology; proficient in both S.T.A.R. and E.P.I.C. registration systems.
- Functioned well within various registration teams to improve patient experience and comfort.

### **RedBull Account Manager**

**2014 – 2016**

#### **Cone Distributing Inc.**

**Tallahassee, FL**

Sales role that provided service to over 85 customer accounts, establishing strong market relationships to grow revenue for both retailer and distributor.

Key Accomplishments:

- Sales analytics training developed into meticulous tracking of inventory, generating data used to drive sales and more effectively market products.
- Managed a route-based sales route, requiring consistent time management to place orders before daily cutoffs.
- Received RedBull power-selling certification in 2016 for excellent market performance.

## **Education**

- **Certificate in Full-Stack Web Development:** UNCC Charlotte 2022
- **Bachelors in Editing, Writing, and Media (EWM Degree)** Florida State University
- **Bachelors of Arts in Music** Florida State University
